Campers should be escorted to the Check-In/Nurse's Station and be signed in/out by our check-in staff. From here, campers will be escorted to their teams and parents may discuss any questions or concerns with our staff or nurse .

- If a camper is going to be late or will not be attending that day, parents can send an email to campkorp@gmail.com. No need to call.
- If a camper needs to leave camp early , please inform staff at drop-off in the morning or send an email to campkorp@gmail.com.
- Campers will not be allowed to leave with anyone who is not designated as an authorized pick-up person. A pin number will be required for pick up.

INCLEMENT WEATHER DAYS

Camp Korp will remain open rain or shine and will always be held at our regular location. Please make sure campers are prepared with appropriate clothing/change of clothing on wet days. Covered areas will be utilized when needed, but campers are still allowed plenty of outdoor options even in wet weather.

In the case of a severe weather event, Camp Korp reserves the right to cancel/postpone days. In the unlikely event of a cancelation, a day pass will be provided for later use, valid for 1 year from date of cancelation. No cash/monetary refund will be given if day pass is not used within specified time frame above.

GEAR UP FOR CAMP!

On the first day of camp, you will be greeted by our check-in staff and nurse. At this time, all forms must be completed or campers will not be permitted. Any issues or concerns may be addressed at this time if necessary.

When dressing child for camp, remember this is a camp and there is a lot of fun in getting dirty! Please be prepared with the following items to make for a great day of camp:

- REFILLABLE WATER BOTTLE-Refilling stations always available throughout day
- LUNCH (non-perishable foods ONLY as no refrigeration is provided). An insulated lunch bag/box with ice pack is required.
- SNACKS (frozen snack will be provided, but extras never hurt)
- SUNSCREEN- Please make sure sunscreen is applied in the morning and staff will remind campers to reapply throughout the day.
- HAT/SUN PROTECTION
- BATHING SUIT/CHANGE OF CLOTHES-if planning on using water area. Best if bathing suit is worn under clothing for our younger campers.
- TOWEL
- CLOSED-TOE SHOES/SNEAKERS or WATER SHOES (optional for water activities)

HEALTH AND SAFETY

The health and safety of our campers is our number one priority. For the health and safety of all of our participants, you are required to notify the Camp Korp Director or Nurse of all communicable diseases your child may have contacted (i.e. chicken pox, head lice, pink eye, etc.) along with any Covid-19 related symptoms (fever, headache, loss of smell, aches, pains, etc.). Specific information will be kept confidential; however, we must notify all participants of the situation.

ILLNESS/INJURY

Parents will be asked to pick up their child in the event of: a temperature of 100 degrees or higher, diarrhea, vomiting, serious cough, or signs of head lice, chicken pox, rashes, etc. In the event of a serious injury, 911 will be called, first aid will be administered, and parents will be notified immediately. We will not transport any child in a personal vehicle and will call an ambulance in the event of an emergency.

MEDICATIONS

Any medications a camper needs while at camp must be brought to our Camp Nurse in the **original container** and be accompanied by a **Medication Authorization Form AND Individual Care Plan**, signed by both a parent/guardian and the prescriber. All medications, other than emergency medication such as Epi-Pens and asthma inhalers, must be kept with our camp's RN.

If you have any questions or concerns, you may speak to our Camp Korp Nurse at drop-off on Monday morning. Epi-Pens, inhalers and any medicines listed on the Medication Authorization Form must be provided, this includes over-the-counter and prescriptions. CT requires **all** medicine to be ***labeled with your child's name*** and **IN ORIGINAL PACKAGING/CONTAINER**. Our nurse cannot administer without proper documentation. Please document your child's allergies on our medical form. The more information we have, the better we can serve your children.

SUNSCREEN

Sunscreen is not considered a topical ointment in the State of CT and is regulated in its use. Staff is not authorized to apply topical ointments unless several lengthy regulations similar to those with medication administration are followed. Due to the number of participants in the camp program, it would take hours to administer to each one. SUMMER CAMP STAFF IS NOT ALLOWED TO APPLY SUNSCREEN. Please see the suggestions below:

- Purchase a sunscreen that is waterproof and has a duration period of at least 6 hours. Apply the sunscreen at home prior to arriving at camp.
- Instruct your child on how to properly apply sunscreen and if need be, have them bring their own sunscreen to camp. Put your child's name on their sunscreen. They are not to share it with anyone else.
- If your child has a strong reaction to the sun, we suggest you consult with your physician for a possible prescription sunscreen.

BEHAVIOR POLICY

It is our goal at Camp Korp to create and provide as much of a safe, fun, uplifting, encouraging, motivating and accepting environment as we possibly can. To accomplish this, it takes everyone's help, cooperation and consideration. If your child's behavior has a negative impact on others around them, parents will be notified. Depending on the severity of the situation, parents may be asked to pick up their camper for the remainder of the day. If behavior persists, camper may be suspended for one day or more.
